EDUCATION FOR ALL SAN DIEGO CITY COLLEGE

The **REVOLUTIONARY** movement rapidly growing throughout the nation **EVOLVED** as students, teachers, and workers mobilized in response to the economic crisis in CA. Politicians & Big Business **THOUGHT** we would accept cuts to education, health care, and social services for a crisis they created. Instead, we have organized and unity **MANIFESTS** when the struggle is a just cause. Education For All works diligently and sincerely **THROUGH** local and statewide actions in hopes of a more equitable and sustainable world. **KNOWLEDGE AND COMPASSION** are the catalyst for this revolution, and it will succeed like none before it.
