

**The U.S. Government has a message for
the college students of America:**

That's because they would rather allow
Bank of America to pay NOTHING IN TAXES
and instead **CUT PELL GRANTS** and
SLASH STATE COLLEGE BUDGETS BY \$1 BILLION

*One GOP politician even called Pell Grants
"The Welfare of the 21st Century."*

**Why is it when YOU need a helping hand
it's called welfare but when
Bank of America needs a \$1 trillion bailout it isn't?**
