## It's an exciting time!

**INHS has purchased 423 1st Street and 210 Hancock Street.**

Our plans are to re-develop the block with a mix of housing (rental & for-sale), open space and commercial. We are inviting **YOU**, the community to come help inform the discussion around what this mix will look like and where it will be located on the block.

**Please join us November 12, 2014**

**4:30PM - 7:30PM** (open house, drop in for any portion of time)

Light refreshments will be served

Note: Building will be cold, please dress appropriately.

This is the first of four meetings and a series of open house events over the next four to six months to engage our community in a participatory design process.
