# Lift Every Voice: We are the Village!

A musical concert benefitting the Village at Ithaca and highlighting community resources

SATURDAY, OCTOBER 14, 2017, 6-8PM  
St. Paul's United Methodist Church, 402 N. Aurora St., Ithaca, New York

Dear Community Member, Business, or Organization,

Fall is a wonderful time of hope, promise, and expectation as our children return to school! Every child is gifted with talents and abilities that make her/him special and unique, and each has amazing potential to learn, grow, and achieve success. We are asking YOU to be among the many individuals and organizations throughout our community who come together for an uplifting concert that benefits our children through the ongoing work of the Village at Ithaca as we celebrate 15 years of service.

In addition to a diverse line-up of musical performances, there will be a resource fair to help connect concertgoers with some of the many community resources aimed at helping our young people achieve success in various areas of their lives. During this time, several local organizations and programs will be tabling and sharing information about a wide range of services and opportunities. Everyone is welcome.

The Lift Every Voice concert began as a community partnership between Calvary Baptist and St. Paul's United Methodist Churches. The concert has significantly expanded its reach to the broader community in performances and attendance, and has become a signature community-building event locally!

This year's concert, Lift Every Voice: We are the Village will feature a variety of musical styles, individual and group performances, and inspiring messages. This will be an evening of empowering music & singing for all to enjoy!

In recognition of this very special event, we are producing a Lift Every Voice COMMEMORATIVE PROGRAM BOOKLET and inviting you to submit an ad message of hope, affirmation, and encouragement for our children or other messages relating to the theme of We are the Village. *Please see details on the next sheet.*

Would you please lift your voice for this important cause? We hope you will join with others in making a powerful statement, and we thank you in advance for participating in this community building effort!

Sincerely yours,

McKenzie Jones, Lift Every Voice 2017 coordinator
